Secureworks proprietary products and third-party products are subject to U.S. export controls as enforced by the U.S. Department of Commerce, Bureau of Industry and Security. Currently, product classifications consist of an Export Commodity Classification Number (ECCN). The ECCNs listed are subject to change. It is the obligation of the exporter to comply with applicable U.S. export control laws, and to provide classification information at the time of export. Secureworks makes no representation as to the accuracy or reliability of these classifications and is in no way responsible for any damages or penalties as a result of using or relying upon such information. You are urged to consult the Export Administration Regulations, the Bureau of Industry and Security's Export Counseling Division, and other appropriate sources concerning restricted/prohibited uses and the exportation/re-exportation of Secureworks products.
