

Secureworks®

SecureWorks Notice – Announcement of End of Life of Cloud Guardian Security Configuration Tool

These EOL Announcements arise from a decision by Secureworks to End of Life for the Cloud Guardian security configuration management tool

The following services are included in this EOL along with their respective EOL effective date:

Service	Effective EOL Date
Cloud Guardian Security Configuration Tool	January 31, 2021

Support for Cloud Guardian Security Configuration Tool will continue until the End of Life on January 31, 2021.

After this time, customers utilizing this tool will no longer have access to it via the Client Portal or externally.

What Alternatives Are Available to Customers?

- If you are interested in using a product comparable to Cloud Guardian, we recommend VMWare SecureState or AWS Config
- More information on these products can found in the links provided below:

VMWare SecureState - <https://go.cloudhealthtech.com/vmware-secure-state>

AWS Config - <https://aws.amazon.com/config/>

As always, we value your business and are committed to providing you with the highest quality service that you have come to expect from SecureWorks.

Thank you,
SecureWorks Service Lifecycle Management
