

## SecureWorks End of Life Notification March 2014

---

### Upcoming End of Life Notification

The following services are approaching End of Life [2]. Please note that support will continue for these products until the official End of Life (EOL) date. Further communication will be forthcoming as the time for EOL approaches.

EOL	Type	EOL Date	Upgrade Path
Teraguard	Platform EOL	March 1 <sup>st</sup> 2015	Migrate to new Platform (CTP)

Note: The Counter Threat Platform (CTP) is the next generation of Secureworks Security management platforms. CTP replaces legacy Teraguard services. Customers will be contacted to migrate to CTP prior to EOL.

### Secureworks Lifecycle Policy

Documentation regarding the Secureworks lifecycle can be found at this URL  
[http://www.secureworks.com/contact/client\\_support/lifecycle-policy/](http://www.secureworks.com/contact/client_support/lifecycle-policy/)

Secureworks strives to provide the highest quality services by continually enhancing our tools and service platforms. As new updates for firmware and hardware are developed it becomes necessary to End of Sale (EOS) and End of Life (EOL) legacy products and services. EOS/EOL notifications are intended to provide information and required actions regarding upcoming lifecycle activities.

### Key Terms and Definitions

1. EOS: End of Sale indicates a particular hardware model, firmware version, or service line is no longer available for sale; however **this model is still supported until the EOL date**. Support for products which have entered an EOS status but not yet reached EOL includes security content, upgrades for critical bugs, warranty services, and customer support.
2. EOL: End of Life indicates end of all support for a given hardware model, firmware version, or service line. No security content, no upgrades, no customer

Classification: //Secureworks/Public Use:

support and no warranty services are available when a product has passed its EOL date.
